25X1 5. (Internal Use Only - JGO) I accompanied Mr. John Clarke and [redacted] to a meeting requested by Representative Frank T. Bow (R., Ohio). Mr. Bow is quite interested in communications facilities and wanted to assure himself that there is no duplication between the Agency budget allocation and State Department request for funds which will be coming up before the Committee on Wednesday of this week. Mr. Bow was briefed in general terms on the Agency's world-wide facilities, [redacted]

25X1 [redacted] Upon completion he expressed appreciation for the guidance given him and indicated that he would enjoy visiting the Agency headquarters and accepting [redacted] offer to see our facilities here. The meeting was most cordial with Mr. Bow evidencing a rather complete confidence in the Agency, its activities, and the representation made during the meeting. 25X1

6. (Internal Use Only - JGO) Met with Mr. Samuel Archibald, House Foreign Operations and Government Information Subcommittee, and provided him with the name of Alan Cauty, Executive Director, Records Court Clinic of Detroit, in response to his request for the name of a psychologist or psychiatrist for their consideration as a witness in the present hearings. (See Memorandum For The Record for details.)

25X1 7. [redacted] In the absence of Congressman Charles 25X1 S. Gubser, I talked with his Administrative Assistant, Mrs. Jean E. Gordon, regarding the Congressman's letter to the Director requesting information on [redacted] 25X1 I advised Mrs. Gordon that [redacted] known to us as a fabricator 25X1 of reports. I gave her [redacted] as we have done 25X1 in a number of other instances where there have been congressional inquiries on this individual. I pointed out [redacted] main claim to fame is the fact that he "predicted the Japanese attack on Pearl Harbor". Mrs. Gordon said that the Congressman suspected that [redacted] 25X1 this type of individual but was anxious to know a little more about him since he resides in the Congressman's district and it is quite possible that in the course of events their paths might cross. She was most appreciative of our information and verified from their standpoint that [redacted] his "reports" to many people on the Hill as well as to various executive agencies.
